

Advisory for taxpayers on Form GSTR-2B

18/10/2021

1. Form GSTR-2B is an auto-drafted ITC statement which is generated for every normal taxpayer on the basis of the information furnished by their suppliers in their respective GSTR-1/IFF, GSTR-5 (non-resident taxable person) and GSTR-6 (input service distributor). This statement indicates availability and non-availability of input tax credit to the taxpayer against each document filed by their suppliers and is made available to the taxpayers in the afternoon of 14th of every month.
