STATEMENT OF OBJECTS AND REASONS

At present, value added tax is being levied on the sale or purchase of goods in the Union territory of Puducherry. Also, some states levy tax on entry of goods in the State in the form of entry tax, luxury tax and purchase tax, etc. Similarly, the Central Government levies tax on, manufacture of certain goods in the form of Central Excise duty, provision of certain services in the form of service tax, inter-State sale of goods in the form of Central Sales tax. Accordingly, there is multiplicity of taxes which are being levied on the same supply chain.

2. In the present tax system on goods and services, taxes levied by the Central Government are not available as set off in the form of input tax credit against the taxes being levied by the State Governments, resulting in cascading of taxes. The present levy under the Central Tax Act, 1956 on inter-State movement of goods adds to the cost of the goods. Further, due to multiplicity of taxes, taxpayers are burdened with high compliance cost in the form of number of registration, returns, payments, etc.

3. In view of the aforesaid intricacies, all the above mentioned taxes are proposed to be subsumed in a single tax called the goods and services tax which will be levied on supply of goods or services or both at each stage of supply chain starting from manufacture or import and till the level of consumption. So, any tax that is presently being levied by the State Governments or the Central Government on the supply of goods or services is going to be converged in goods and services tax which is proposed to be a dual levy where the State Government will levy and collect tax in the form of state goods and services tax on intra-State supply of goods or services or both and the Central Government will levy and collect tax in the form of central goods and services tax on intra-State supply of goods or services or both.

4. In view of the above, it has become necessary to have a Legislation, namely the Puducherry Goods and Services Tax Bill, 2017. The proposed legislation will confer power upon the Union territory of Puducherry for levying goods and services tax on the intra-State supply of goods or services or both. Due to the seamless transfer of input tax credit from one stage to another in the chain of value addition, there is an in-built mechanism in the design of goods and services tax that would incentivise tax compliance by taxpayers. The proposed goods and services tax will broaden the tax base, and result in better tax compliance due to a robust information technology infrastructure.

5. The Puducherry Goods and Services Tax Bill, 2017, *inter alia*, provides for the following, namely:-

(a) to levy tax on all intra-State supplies of goods or services or both except supply of alcoholic liquor for human consumption and petroleum products at a rate to be notified, not exceeding twenty per cent. as recommended by the Goods and Services Tax Council (the Council);

(b) to broad base the input tax credit by making it available in respect of taxes paid on any supply of goods or services or both used or intended to be used in the course or furtherance of business;

(c) to impose obligation on electronic commerce operators to collect tax at source, at such rate not exceeding one per cent. of net value of taxable supplies, out of payments to suppliers supplying goods or services through their portals;

(d) to provide for self-assessment of the taxes payable by the registered person;

(e) to provide for conduct of audit of registered persons in order to verify compliance with the provisions of the Act;

(f) to provide for recovery of arrears of tax using various modes including detaining and sale of goods, movable and immovable property of defaulting taxable person;

(g) to provide for powers of inspection, search, seizure and arrest to the officers;

(h) to establish the Authority for Advance Ruling to give advance ruling on matters or on questions in relation to the supply of goods or services or both;

(i) to establish the Appellate Authority for Advance Ruling for hearing appeals against the advance ruling pronounced by the Advance Ruling Authority;

(j) to make provision for penalties for contravention of the provisions of the proposed legislation;

(k) to provide for an anti-profiteering clause in order to ensure that business passes on the benefit of reduced tax incidence on goods or services or both to the consumers; and

(l) to provide for elaborate transitional provisions for smooth transition of existing taxpayers to goods and services tax regime.

6. For the purpose, a bill titled as “The Puducherry Goods and Services Tax Bill, 2017” is proposed to be enacted.

7. The Bill seeks to achieve the above objectives.

V. NARAYANASAMY
CHIEF MINISTER

FINANCIAL MEMORANDUM

Clause 3 of the Bill provides for appointment of various authorities under the Act, for the purpose of implementing the provisions of the Act.

2. Clause 53 of the Bill provides for apportionment of tax and settlement of funds on account of transfer of utilisation of input tax credit under this Bill for the payment of tax dues under the integrated goods and services tax by the Central Government.

4. Clause 99 of the Bill provides for the establishment of an Appellate Authority for Advance Ruling by the Government for hearing appeals against the advance ruling pronounced by the Advance Ruling Authority.

5. Clause 109 of the Bill provides for the establishment of the Goods and Services Tax Appellate Tribunal by the Central Government for hearing appeals against the orders passed by the Appellate Authority or the Revisional Authority and adoption of the same under the State Goods and Services Tax Act.

6. The total financial implications in terms of recurring and non-recurring expenditure involved in carrying out the various functions under the proposed Legislation would be borne by the Government of the Union territory of Puducherry. However, it is not possible to estimate the exact recurring and non-recurring expenditure out of the Consolidated Fund of the Union territory at this stage.
