

Advisory : GSTN launches e-invoice registration services with private IRPs

04/03/2023

In another step towards further digitization of the business process flow, GSTN has launched the e-invoice registration services through multiple private IRPs at the recommendation of the GST Council. Four private companies viz. ClearTax, Cygnet, E&Y and IRIS Business Ltd were empaneled by GSTN for providing these e-invoice registration services to all GST taxpayers of the country. The details of the existing and new IRPs is available at <https://einvoice.gst.gov.in/einvoice/dashboard>

The taxpayers now have a choice of more than one IRP (earlier being the only single portal of NIC), which they can use to register their e-invoices. This adds significant capacity and redundancy to the single e-invoice registration portal which existed earlier.

The end-to-end flow of a digitally signed e-invoice between sellers and buyers by integration with the GST system will lead to ease of compliance for the taxpayers. It will also lead to facilitation of auto-drafting and auto-populating of invoice details in the GST returns which would lead to increased accuracy, correctness of reporting of supplies and availing of ITC by the recipients of the supply.

Thanking You,
Team GSTN
